

Exclusive Property Insurance

Only the best will do

At Caxtons we believe that when it comes to arranging insurance on our landlords' property, only the best will do.

Our many years of experience in the management of residential, commercial and industrial portfolios has shown us that landlords are not always well served by their insurance suppliers.

Consequently, we have sourced a unique, innovative and exclusive scheme for the insurance of our landlords' property. Our aim was to take the 'hassle' out of insurance for our landlord clients, and to exceed their expectations in this vital area. Many of our landlord clients have already discovered the benefit.
